

Original Joe's Opens Flagship Location in Calgary

Time flies! It's been 17 years since we opened the original OJ's location in Calgary. We're extremely proud of our growth and expansion across Western Canada and are keen to announce that a new Original Joe's flagship location opened on Sunday, Feb. 23 on Macleod Trail South.

Our dedicated team conducted a detailed search for the right venue to accommodate the remarkable growth that we've experienced. In addition to the restaurant and bar, the new location will serve as the new corporate headquarters for OJ's and house a test kitchen for the development of inventive new menu items.

"We believe the great success of Original Joe's is due to the down-to-earth nature of our staff and customers," says CEO Derek Doke. "We've grown with Calgary and are humbled by the city's continued loyalty and support for our brand. We're proud to continue to call Calgary home and can't wait to see what the future holds for our team and company."

Thank you for your unbelievable support Calgary. We can't wait for you to come visit us and share your experience using the hashtag #OriginalJoes. We may just share your photos on Facebook, Twitter and Instagram!
